

SIGNS OF SAFETY WORDS AND PICTURES

2-DAY ONLINE WORKSHOP

This two-day online workshop is in a timezone to suit participants in the UK, Ireland and Europe.

3–4 May 2022 9am–4:30pm (UTC+0)

Two full days of the intricacies of Words and Pictures, aimed at practitioners, therapists, practice leaders/PSW's, team managers, foster carers, non-government and government agencies, and anyone interested in the Words and Pictures process. Facilitated by Pene Turnell, licensed Signs of Safety Trainer and Consultant.

"I personally found the training really educational and interactive; it all made sense. As a child protection social worker before coming into the practice development role, I had not received training on Words and Pictures. I learned so much on the workshop, which now makes me feel confident to share my learning and encourage others." — Katie Allison, Practice Development Worker

"I recently attended Words and Pictures training with Pene Turnell and it has been the best training experience I have had for some time. Pene is very skilled and knowledgeable in Words and Pictures and during the training I was inspired to reflect on how we communicate with children and families in a compassionate way through our Words and Pictures practice. Everyone that attended the training commented on how informative it was and this will definitely help us in our Signs of Safety implementation in Cumbria. Excellent training Pene, thank you!" — David Carter, Signs of Safety Practice Lead, Cumbria

Cost: EUR€160
